# JEW-LED KOSHER CONSERVATIVES

As usual in our affairs an inscrutable Destiny has guided us through what seemed to be accidents but which turn out to be the very stuff of victory. We postponed printing the expose of Young Americans for Freedom (YAF) in the last issue of the ROCKWELL REPORT to make room for the sensational documents from Adolf Eichmann.

In the meantime the Jews, overplaying their hand as usual, have enormously strengthened our case, not only against YAF but also the great Kosher Conservative, Barry Goldwater and the ivory tower intellectual conservative, Buckley.

Herewith we reproduce the cover of a booklet issued by the Jew-dominated, pinko Americans for Democratic Action (ADA) less than two weeks ago. YAF and Goldwater and Buckley, of course, like good "conservatives", have lambasted the ADA unmercifully as a snake's nest of reds, radicals and pinkos. Nevertheless, when the ADA comes out with the party line that the conservatives "must rid themselves of the dangerous right-wing extremists" GOLDWATER, BUCKLEY AND YAF, WITHIN DAYS OF EACH OTHER DENOUNCE ROBERT WELCH AND THE MAGNIFICENT GENERAL WALKER. YAF IS EVEN SO BRUTAL AS TO CANCEL ITS INVITATION TO GENERAL WALKER TO SPEAK IN MADISON SQUARE GARDEN.

Buckley viciously attacks Welch in the latest issue of his National Review (thereby loosing dozens of subscribers that we know of.) And Goldwater carries out HIS orders by denouncing the nasty "extremists" more viciously even than some of the left-wing critics.

This is all very confusing and discouraging to right-wing patriots who were beginning to believe that real "conservatism" was about the storm the White House.

But it is not only not surprising to those of us who have faced up to the Jewish problem - this called "conservative" outfit which does not face up to the Jewish question and includes Jews in its top positions will now be found denouncing and trying to suppress all anti-communist outfits which, like Joe McCarthy, are beginning to REALLY hurt the enemy.

Robert Welch and General Walker have committed the unpardonable sin: they have refused to allow themselves to be manipulated by the Jews, even though both of them still imagine they can fight Communism without fighting Jews. In the words of ADA's pamphlet and the other self- righteous apostles of the Hebrews, Walker and Welch are "lunatic fringes (who) have agitated outside the main stream of American life". As a result, they will find themselves driven to the point where they will have only two choices: oblivion or open acknowledgement of the Jewish forces behind Communism, integration and the moral subversion of our people.

Barry Goldwater has said in Washington on February 8, conservatives must "beat off the idiots that are always attracted to a movement" and that his "chief objection to the John Birch Society is its leader. He is intemperate and unwise. I wish he would step out so the fine, responsible people who are members could take charge." - (fine, responsible, JEWS, no doubt?)

Below we reproduce word for word an amazing report received from one of our confidential informants in New York who is known as a super-radical leftist but who is actually working for the National Patriotic Research Foundation in New York City. We can vouch for and stand behind every one of the amazing facts he presents and will prove them all in court if the Jews or "Kosher Conservatives" dare challenge us. They won't.

what's **wrong** with the far **right?**

Should a man who says former President Eisenhower is a "conscious, dedicated agent of the Communist conspiracy" be put away some place, dismissed as an unfortunate case whose lunacy is, after all, a private matter? Or does such talk reflect a more serious problem in the country?

When the man is Robert Welch, the problem is indeed serious. Thousands of Americans are flocking to hear the retired candy king, Czar of the John Birch Society, denounce Eisenhower and link him with traitors ranging from Chief Justice Earl Warren through leaders of the Republican and Democratic parties.

Thus, on October 9, 1961, more than 1600 men and women jammed the main ballroom of a Garden City, Long Island hotel to hear Welch's wild charges. The paying audience, many of whom had waited in line for an hour, included some young people, but most of the others looked like members of the prosperous middle class.

For almost two hours they listened to Welch shout his inane views. He continued to

## REPORT ON Y.A.F.

The continuing surge of conservatism on American campuses has brought into being a number of youth organizations. The first and still largest of these groups is Young Americans for Freedom (YAF).

A favorite and effective tactic of subversives is to infiltrate and emasculate patriotic groups. Alarming evidence has accumulated that YAF has suffered this fate, in spite of the fact that practically all of the membership and most of the leadership is - even if naive - honest and staunchly patriotic. If informed of the facts, these members can clean up the organization.

The most influential single individual in YAF holds no office. He is one Marvin Liebman who, like so many others who are closely associated with National Review Magazine, has an enigmatic record. His "conversion" dates from 1952, when he is said to have repudiated communism. He currently describes himself as a "radical liberal".

Liebman operates under numerous different names. One of his most lucrative fronts is the Committee of One Million Against Admission of Communist China to the United Nations. The office is located at 79 Madison Avenue, New York City.

The purpose of the Committee of One Million is to keep Red China out of the U.N. SO THAT THE UNITED STATES WILL STAY IN.

Should Red China be admitted to the U.N., America would get out. This would mean the immediate demise and financial bankruptcy of the U.N. Thus, keeping Red China out is a matter of supreme priority to crafty U.N. supporters.

For instance, Richard Nixon stated on December 8, 1961: "No less than the survival or destruction of the United Nations itself is at stake in the debate on admission of Communist China to the U.N.... The people have spoken out time and time again in public opinion polls; our Congress has voted almost unanimously year after year to bar the gangster regime in Red China from a seat among the peace-loving states of the United Nations."

This is also the logic of Congressman Walter Judd. In a movie - "Red China, Outlaw" - produced and distributed and sold by another of Liebman's fronts, Communications Distribution, Inc. (which also operates out of Liebman's 79 Madison Avenue office), Judd states that if Red China is let in the U.N., American public opinion will force our "tragic withdrawal".

UPON THE SUCCESS OF LIEBMAN'S COMMITTEE, THEREFORE, RESTS THE SURVIVAL OF THE UNITED NATIONS.

Many genuine conservatives, failing completely to recognize the fraudulent purpose and nature of the Committee of One Million, support it both morally and financially.

This is why it serves another important purpose to the leftists. For Liebman has added trotskyites, liberals, internationalists and world federalists to its letterhead, such as Hubert Humphrey, Henry Luce, Paul Douglas, Jacob Javits and many others. This provides extremists of such ilk with a "conservative" front to mask their true leftism and to mislead patriots.

The national headquarters of YAF is in Liebman's office. The telephone number of YAF (MU 5-0190) is the same as the number of the Committee of One Million and mail that both organizations send out is metered by the same Pitney-Bowes postage machine (No. 102150). Liebman's other fronts, such as Communications Distribution, Inc., and an organization for the purpose of raising money allegedly to be sent to Katanga, also use these

facilities. Mail (including registered mail) sent to YAF is opened by Liebman or his staff. All day-to-day operations of YAF and its National Administrative Secretary - Richard Viguerie - are closely supervised and approved by Marvin Liebman.

Richard Viguerie formerly worked for the Republican Party in Texas, but was forced out under a cloud from the Houston State Headquarters of the GOP upon discovery that a large mailing list of wealthy contributors disappeared. Virguerie subsequently went to work for Marvin Liebman.

Liebman, a fanatical Zionist, hates Arabs. His background includes a mysterious trip to Israel, which he steadfastly refuses to explain. He has bragged to friends, however, "I am a killer". Perhaps his strong pro-Zionist sentiments explain the fact that most of his office staff (except for front men like Viguerie) is Jewish or Negro.

When college students in San Francisco organized a picket line against Archie Brown, notorious communist, at the time he was running for city supervisor, Liebman and Viguerie, working in close harness with the extremely wealthy and powerful Anti-Defamation League, successfully blocked all support for the picketing by the national YAF organization during four weeks of the picketing from October 14 through November 4, 1961. By refusing to recognize the group as an authorized YAF chapter, and instead authorizing ADL agents in San Francisco to speak for them, they were able to suppress all publicity in every newspaper in the San Francisco Bay Area of the important and significant event. Apparently, the ADL and Liebman were interested in suppressing the picketing because Archie Brown is a Jew, and officials of the ADL do not want people to get the impression that there is a connection between Jewry and communism.

YAF officers explain that Liebman generously gives them office space. Actually, Liebman uses the name of YAF to raise money and he uses the prestige of YAF - as in the San Francisco incident - to fight and smear genuine anti-communists.

Another example of Liebman's work may be seen in the panel discussion which he organized for the annual meeting of the National Association of Manufacturers at the Waldorf-Astoria in December, 1961. Members of the panel were William Cotter, Howard Phillips, Scott Stanley and Roger Claus. These four genuine patriots made a very favorable impression on the rich delegates in attandance. After it was over, Liebman capitalized on the impression these four naive front men made for him by soliciting contributions for "his" YAF from the wealthy NAM members.

William Cotter, billed as the National Director of YAF at the panel, announced his resignation from YAF during the NAM meeting.

When confronted with dismal facts like these, YAF leaders will point to what appear at first glance to be genuine instances of picketing or other anti-communist work done by YAF. Closer inspection, however, will invariably reveal that the real purpose in each case is not the stated one. In some cases, YAF manipulators will attempt to get publicity, in order to mislead people into believing that YAF is a true anti-communist organization.

For instance, Liebman exercises such dictatorial control over YAF that he is to receive an "anti-communist" award from that organization at a mass meeting set for Madison Square Garden on the night of March 7, 1962. Tickets are selling for up to $25 each!

Another puppet of Liebman's is Joan Rasanen, Secretary of the Greater New York Council of YAF, which is located at the office of National Review Magazine, at 150 E. 35th Street. On December 9, Rasanen organized a picket line to protest the invasion of Katanga by the U.N. But persons who favored American withdrawal from the U.N. were not allowed to participate in the line. By fighting against the sumptoms but not the cause of subversion in this way, infiltrators cleverly use YAF to lead true patriots up a blind alley of frustration and confusion, preventing them from uniting in a fight for intelligent and productive national policies.

Other officers have stated this secret and undercover purpose of YAF more bluntly. Mr. Lynn Bouchey, a national director of YAF and the West Coast representative, stated to the chairman of STUDENTS ASSOCIATED AGAINST TOTALITARIANISM, an anti-communist group at the University of California in early November, 1961: "WE (YAF) DO NOT LIKE ANTI-COMMUNIST GROUPS!"

The feeling should be mutual.

In addition to the above report, we have

received the following note from a San Francisco operator for whom we can also vouch. Below we reproduce his report, again, word for word as received.

".... I recently attended a meeting of the local Young Americans for Freedom. I came to the meeting early and posed as a Jew working for the ADL, and so introduced myself to the self-elected leader Mr. Laurence J. Fournier. I mentioned that I heard the organization was anti-Semitic. Mr. Fournier promptly assured me that I had nothing to worry about, that his group was organized by the ADL, and he was working for them. I asked for proof and he brought out a stack of typed reports he had submitted to the local ADL office. These reports dealt mostly with anti-Semitism of various persons - some affiliated with a competing branch of the YAF. Later in the meeting I was evicted for exposing him to the members. I was asked to leave by a Jewish girl in whose apartment the meeting was being held. Not too long ago I received a telephone call from S_____ _____ of the ADL, threatening me, my job and my standing at Law School if I didn't stop "spreading anti-Semitic poison".

Respectfully submitted,

Agent Klein

There is more than enough evidence to indicate the Jews are succeeding once more with their old Judas-goat trick; when you can't lick 'em, --LEAD 'em! . . . . When there is a rebellion against Jewish bolshevism and radicalism, why then Jews must lead that rebellion, or it might become ANTI-JEWISH, and therefore effective!

And so we find Goldwater and Sokolsky leading the adult "conservatives", while Marvin Liebman guides the tender minds of the kiddies in YAF. Buckley's scene abounds with Jews, and, as noted in the report, the YAF office of Liebman is in BUCKLEY'S VERY OFFICE!

With Communism, the left-wing and the NAACP and CORE led by Jews, it now would appear that there is nothing but Jews to lead the opposition, too. Are only JEWS able to lead political movements? Are Gentiles so stupid they can not lead themselves, and have to depend on the same gang which has led every bolshevik and communist movement in history?

The answer, sad as it is, is Yes, --so long as Gentiles continue to be blinded by pretty slogans and catch-phrases. As long as our college youth are AFRAID to examine the FACTS of the Jewishness of Communism and "liberalism", they will not only be confused and ineffective, but they will find themselves LED and then sold-out by the subtle, rotten, --but HARD-THINKING JEWS.

Robert Welch and General Walker are two "conservatives" who have apparently seen through all this enough to avoid becoming tools for the Jew leaders of "Conservativism". Welch has kept iron control of his movement, as I have done in mine, and so the Jews can't "get at him". For this Goy arrogance, Goldwater is outraged, and demands that Mr. Welch step down in favor of some more "responsible" (Jew-dominated toady) character. Buckley and YAF attack him, --and ALL of this is synchronized with the announcement of the same campaign by the ADA!!!!!

I personally believe that both Robert Welch and General Walker, great men that they are, are too politically naive and too timid to survive the all-out dirty fight in which they have plunged themselves. Just as McCarthy took Sokolsky's advice and put in the Jews Cohn and Schine as his top men, only to be felled by the shennigans of these two Kikes, --so Welch and Walker are trying to be "nice" and not notice the huge Jew army being organized against them. What you won't admit exists, you can't fight. And so Buckley, Welch, YAF and even the great General Walker will shamble after their predecessors McCarthy, Lindbergh and Mac Arthur into the bone-yard of history. Too bad, but part of the workings of Nature itself. Only strength can conquer, never weakness and compromise.

## NEW JEW SMEAR

Senator Strom Thurmond is a great and courageous American patriot. He has stood four-square behind General Walker. He has also called me a lunatic on the floor of the Senate, -but I can understand why, and freely forgive him. Those who do NOT condemn me and revile me stand a good chance of being smeared as "Nazis". Many who do smear me publicly apologize later privately. It will be that way for a few more years until we make it even safer to expose and attack America's Jewish traitors and subverters.

But last week, I was forced to demand a public explanation from the Senator for two questions slipped neatly into a questionnaire on Communism and given to 32 Marines, after which it became national news. In amongst the foulest enemies our

Country has had in 300 years, the questionnaire suddenly asked "Describe the American Nazi Party." and "Who is George L. Rockwell?"!!

The questionnaire was a good idea, to see just how much our service men DO know about our bolshevik enemies. But Senator Thurmond, compromising as is now the American compulsion, put one of the same race which has produced most of our Soviet spies and Communist leaders on the job preparing and giving the questionnaire.

As a result, when I demanded a public explanation of this unbelievable smear, in which my picture is printed between Castro, Marx and Mao-Tse-Tung, (a half-breed Negro, a Jew, and a Chinaman), --Senator Thurmond sent me the letter which is reprinted herewith.

The Sentator did not do the dirty work, -but he appointed a certain Mr. Kaplan (!) to do the job, and this Jew apparently slipped the question in there, enabling Newsweek and other publications

Dear Mr. Rockwell:

Your letter and telegram have been received. I had nothing to do with the preparation of the questionnaire, and I have so expressed this on the floor of the Senate last Thursady and a news conference last Friday. I suggest you contact the subcommittee for the answer to your question.

Sincerely,

This is the same old sad story with those who try to fight this vile enemy as "conservatives" --always there is a Kike in the wood-pile to sabotage and pervert the purpose of the "conservative". Taft had Rabbi Hillel Silver, McCarthy had Sokolsky, Cohn and Schine, -and now comes Sen. Thurmond with his KAPLAN. (He named him to the subcommittee).
